# OMAR AHMED

## Junior Graphic Designer

I'm a critical thinking and crafty graphic designer and a 3D artist. I am an quick learner and growing person with the industry standards who thrives for new ways and challenges to tackle his tasks.

As a person who's passionate about graphic design, you'll notice my work is vastly experimental, variable with their own unique touch onto them. I manage to communicate kindly and appropriately with both clients and team, as this mindset assures more properly conveyed, qualitative ideas and products.
